The Roll Nos of the short listed candidates have not been listed in any order or rank. Where candidates have secured the same marks equal to cut-off mark, all are bracketed together and asked to take the physical test to give opportunity to all of them to take part in the next round.

All the short listed candidates are required to attend verification of documents, physical measurement and physical efficiency test to be held at Odisha Fire & Disaster Institute, Naraj Cuttack beginning from 18.12.2023. The exact date on which a candidate will attend the test will be indicated in the admit card.

Candidates will be asked to show original documents submitted while uploading application for verification of certificate. After verification of certificate physical measurement will be taken, which will be followed by physical tests. If a candidate is disqualified at any stage, he will not be asked to take subsequent tests.

No travel expenses will be paid and the authorities will not be responsible for making any arrangement for accommodation and fooding. All candidates will be expected to maintain discipline and behave cordially with officials and other candidates during the process. Candidates are advised not to fall victim to the handiwork of cheats or solicit any favour. All such conduct will be entirely at the risk of the candidate and authorities will not be responsible for any adverse consequence.

Candidates should download admit card for the physical measurement and physical efficiency test from the candidate portal. The admit cards will be available for download from **15.12.2023**.
