Director

ABOUT INSTITUTE

The National Institutes of Technical Teachers' Training and Research (NITTTR) Kolkata, formally known as TTTI (ER), was established on 11th January 1965 by the Ministry of Education, Government of India. At present, the Institute has 5 departments viz. (1) Civil Engineering (CE), (2) Computer Science & Engineering (CSE), (3) Electrical Engineering (EE), (4) Mechanical Engineering (ME) and (5) Education and Management (E & M). The Institute conducts short term technical teachers' training programme throughout the year on Educational Pedagogy, Science, Technology and Management and other relevant fields and also offer master's degree programme in Engineering and technology. For more details, you can visit institute's website (www.nitttrkol.ac.in).

DETAILS OF FACULTY POSTS

Qualification and Experience:

Name of the post: Professor, Civil Engineering

Number of post: 01 (UR)

A. Essential Qualification:

(a)

- (i) Bachelor degree in Civil Engineering or allied / relevant disciplines
- (ii) Master degree in Civil Engineering or allied /relevant disciplines
- (iii) Ph.D. in the Civil Engineering or allied /relevant disciplines
- (iv) First class or equivalent either at Bachelor's or master's level

AND

(b) Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.

AND

(c) At least 6 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals and at least 2 successful Ph.D. guided as Supervisor / Co-supervisor till the date of eligibility.

OR

At least 10 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals till the date of eligibility.

B. Specialization in any of the following areas:

Structural, Geotechnical, Transportation, Environmental, Hydraulic, Earthquake Engineering, soil mechanics

C. Desirable Experiences: please see table I

Name of the post: Professor, Computer Science and Engineering

Number of post: 01 (SC)

A. Essential Qualification:

(a)

- (i) Bachelor's degree in Computer Science and Engineering or allied/relevant disciplines
- (ii) Master's degree in computer science and engineering or allied/relevant disciplines
- (iii) Ph.D. in the computer science and engineering or allied/relevant disciplines
- (iv) First class or equivalent either at Bachelor's or master's level

AND

(b) Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.

AND

- (c) At least 6 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals and at least 2 successful Ph.D. guided as Supervisor / Co-supervisor till the date of eligibility.

OR

At least 10 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals till the date of eligibility.

B. Specialization in any of the following areas:

Software Systems, Information Security, Artificial Intelligence, Deep Learning, Parallel Computing, High Performance Computing, Big Data Analytics and Block Chain Technologies

C. Desirable Experiences: please see table I

Name of the post: Professor, Education and Management

Number of post: 02 (OBC-1, UR-1)

A. Essential Qualification:

(a)

(i) Bachelor's degree in Humanities/Engineering/Management/ Science or allied/relevant disciplines

(ii) Master's degree in Humanities/Engineering/Management/ Science or allied/relevant disciplines

(iii) Ph.D. in Humanities/Engineering/Management/ Science or allied/relevant disciplines

(iv) First class or equivalent either at Bachelor's or Master's level

AND

(b) Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.

AND

(c) At least 6 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals and at least 2 successful Ph.D. guided as Supervisor / Co-supervisor till the date of eligibility.

OR

At least 10 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals till the date of eligibility.

B. Specialization in any of the following areas:

Education, Education Technology, Technical / Engineering Education, Academic Audit, Educational Planning & Management, Student Psychology and Digital Pedagogy, Quality Management

C. Desirable Experiences: please see table I

Name of the post: Professor, Electrical Engineering

Number of post: 01 (EWS-1)

A. Essential Qualification:

(a)

(i) Bachelor degree in Electrical Engineering or allied/relevant disciplines.

(ii) Master degree in Electrical Engineering or allied/relevant disciplines.

(iii) Ph.D. in Electrical Engineering or allied/relevant disciplines

(iv) First class or equivalent either at Bachelor's or Master's level

AND

(b) Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.

AND

(c) At least 6 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals and at least 2 successful Ph.D. guided as Supervisor / Co-supervisor till the date of eligibility.

OR

At least 10 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals till the date of eligibility.

B. Specialization in any of the following areas:

Smart Grid, VLSI Technology, Electric Vehicle Technology and Wireless Power Transfer, Renewable Energy, Energy Storage and Batteries, Sensors and Actuators, IoT, Instrumentation and Automation, Modern Control techniques

C. Desirable Experiences: please see table I

Name of the post: Professor, Mechanical Engineering

Number of post: 01 (UR-1)

A. Essential Qualification:

(a)

(i) Bachelor degree in Mechanical Engineering or allied/relevant disciplines.

(ii) Master degree in Mechanical Engineering or allied/relevant disciplines.

(iii) Ph.D. in Mechanical Engineering or allied/relevant disciplines.

(iv) First class or equivalent either at Bachelor's or Master's level

AND

(b) Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.

AND

(c) At least 6 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals and at least 2 successful Ph.D. guided as Supervisor / Co-supervisor till the date of eligibility.

OR

At least 10 research publications at the level of Associate Professor in SCI journals / UGC / AICTE approved list of journals till the date of eligibility.

B. Specialization in any of the following areas:

Nanotechnology, Nanomaterials, Biomaterials, Green Manufacturing, Additive Manufacturing, Energy system, Smart manufacturing, Thermal engineering, Fluid dynamics, CFD, Power plant engineering, Renewable energy.

C. Desirable Experiences: please see table I

Name of the Post: Associate Professor, Civil Engineering

Number of posts: 01 (EWS-1)

A. Essential Qualification:

(a) Bachelor degree in Civil Engineering or allied/relevant disciplines

(b) Master degree in Civil Engineering or allied/relevant disciplines

(c) Ph. D in Civil Engineering or allied/relevant disciplines

(d) First class or equivalent either at Bachelor's or Master's level

AND

(e) At least total 6 research publications in SCI journals / UGC/ AICTE approved list of journals.

AND

(C) Minimum of 8 years of experience in teaching / research / industry out of which at least 2 years shall be post Ph. D experience.

B. Specialization in any of the following areas:

Structural, Geotechnical, Transportation, Environmental, Hydraulic, Earthquake Engineering, Soil mechanics

C. Desirable Experiences: please see Table I**Table I: Desirable Experiences for all Teaching Position**

I.	Training / Teaching / Research / Industrial and professional experience in reputed organization
II.	Instructional / Learning Resource Development, MOOC and online learning resources
III.	Curriculum design, development and revision
IV.	Experience in offering newer pedagogical or heutagogical strategies for the faculty members
V.	Research / project/ consultancy in technical/ engineering education
VI.	Publishing papers (preferably in SCI journals), patents filling, writing technical books / books chapters / monograph / technical reports
VII.	Handling national and international projects
VIII.	Experience in using Educational Technology tools in teaching and training
IX.	Preparing educational video / Simulation package, e-content
X.	Guiding research projects and supervising Ph. D / PG thesis
XI.	Collaboration with Industries
XII.	Experience in conducting training programmes in the emerging & interdisciplinary areas and pedagogy, AR/VR
XIII.	Participating in quality assurance and Ranking Framework activities
XIV.	Handling national and international project
XV.	Participate in co-curricular and extracurricular activities
XVI.	Assis in departmental and institutional administration
XVII.	Conducting field studies in technical / Engineering education
XVIII.	Undertaking consultancy and R & D Project
XIX.	Organizing conferences/ Seminars/ Workshops/ Symposium and others

Documentary evidences should be attached for all desirable specialization and experiences.

Table II: Branch wise allied disciplines

Branch	Relevant / Allied disciplines include
Mechanical Engineering	Mechanical Engineering, Aerospace /Aeronautical Engineering, Material Science & Engineering, Industrial Engineering, Textile Engineering/Technology, Metallurgy, Production Engineering, Automobile Engineering, Mechatronics
Civil Engineering	Civil Engineering, Environmental Engineering, Water Resources, Chemical Engineering, Structural engineering, Geo technical engineering, Construction Engineering, Town Planning and Architecture
Computer Science & Engineering	Computer Science, Information technology, Multimedia and software engineering, Data sciences, AI, Cyber security
Electrical Engineering	Electrical Engineering, Electronics, Electronics and Telecommunication, Instrumentation, Instrumentation and control, Mechatronics
Education and Management	Education, Psychology, Educational Management, Science and Engineering

DETAILS OF NON-TECHING POSTS

Name of the post : **Librarian**
No. of post : **01 (UR-1)**

A. Essential Qualification & Experience : a. Master Degree in Library Science with 5 years' experience in any University / Research Institution Library

B. Desirable Experience : Knowledge in digital library systems, qualifying in the National Level Test conducted for the purpose by UGC or other equivalent test as approved by the UGC.

C. Job Description & Responsibilities

GENERAL TERMS AND CONDITIONS:

1. Candidates should read carefully the requisite minimum essential qualifications, age and eligibility, experience criteria etc. laid down in the advertisement before applying for these posts. Since all applications will be screened on the basis of data submitted by the candidate in the online application form, the candidates must satisfy themselves of the eligibility for the position to which they are applying for. If at any stage during the recruitment and selection process, it is found that candidates have furnished false or wrong information, their candidature will be rejected.
2. Application once submitted cannot be altered / resubmitted, under any circumstances. Further, no request with respect to making changes in any data / particular entered by the candidate in the Online Application will be entertained, once the application is submitted successfully. Therefore, please keep all data / details ready before you start filling up the Online Application.
3. Reservation and age relaxation will be followed as per Government of India norms on submission of Caste Certificates/PH certificates in the format as prescribed by the Government of India. Failure of submission of information/documents etc. may lead to cancellation of candidature at any stage of the recruitment.
4. Candidates belonging to OBC (Non Creamy Layer) category should submit proper caste certificate as per the proforma of Government of India (which should be valid as on the last date of submission of application).
5. Candidates belonging to EWS category should submit proper EWS certificate as per the proforma of Government of India which should be valid as on the last date of submission of application. Further, they should invariably attach a valid EWS certificate issued for the financial year prior to the year of application on their eligibility as per the Department of Personnel & Training in the Government of India OM No. 36039/112019-Estt (Res) dated 31/01/2019 in the prescribed proforma for consideration of the candidature under EWS category.
6. **Application Fee:** Application Fee for *Teaching* posts, ₹1,000/- (Rupees One thousand only) and Non-teaching posts ₹500/- (Rupees Five hundred only) in favour of the Director, NITTTR, Kolkata through online payment through NEFT/RTGS in the following SBI Account No. 10836428657, IFSC Code: SBIN0001612 of the Institute may be deposited. The application is considered as a submitted application only after the payment of fees. The fee once paid will not be refunded or re-adjusted under any circumstances. No fee is required for SC/ST, PwD category & Women candidates.
7. Fulfilment of qualifications and experience is an essential requirement. The candidate will be called for certain evaluation process while progressing ahead in the stage(s) of recruitment / selection, following the standards in general. In case, applications, received are in excess of the number of posts advertised, the Screening/Shortlisting Committee may adopt additional / higher criteria for shortlisting, based on academic performance and/or years of experience of the applicants or it may so decide, and the shortlisted applicants will be called for certain evaluation process and subsequent stage(s) as applicable on qualifying the same as per decision of the Institute.
8. The candidates are advised to include their entire experience and academic performance at the time of filling the Online Application Form. The candidate's eligibility will be assessed based on the information provided in the online application form.
9. If a Class/Division is not awarded, minimum of 60% marks in aggregate shall be considered as equivalent to First Class/ Division. If a Grade Point System is adopted, the CGPA will be converted into its equivalent percentage of marks as per the UGC's latest notification.
10. **TA Reimbursement:** No travelling allowance (TA) shall be paid to the outstation candidates called for certain evaluation process.
11. The Institute is governed by the rules and regulations of the NITTTR, Kolkata Society in force / amended from time to time and is fully financed by the Ministry of Education, Government of India.
12. Appointment to the posts will be governed by the Institute rules and regulations. Pay and other allowance will be admissible as per rule 7th CPC. The new appointee shall ordinarily be borne under New Pension Scheme (NPS) unless otherwise specified.

13. **House Rent Allowance:** NITTTR, Kolkata Authority has the discretion regarding allotment of office accommodation. No house rent allowance will be paid to the selected/appointed candidate(s), if they are provided quarter in the campus.
14. All posts are tenable in NITTTR, Kolkata and its Extension Centres.
15. All posts are temporary but likely to be permanent subject to successful completion of probation period of two years for Teaching Posts and one year for Non-Teaching Posts. The probation period may be extended or he/she may be terminated from the service at the discretions of Appointing Authority, if it is found that during the probation period his / her performance was unsatisfactory.
16. Character and antecedents will be verified by the State Police Department. If there is any adverse report forwarded by the State Police Department, the candidature of the selected/appointed candidate shall liable for cancellation.
17. The appointment of the selected candidates is subject to being found medically fit and physically sound as per the requirement of the Institute. Selected candidate shall have to appear before designated hospital / state hospital for evaluating his/her medical fitness. No appointment will be considered if the candidate found medically unfit.

18. **How to apply:**
